DADDY is my Best Friend

HAPPY FATHER'S DAY

Happy Father's Day to you.

I know we've had our ups and downs , we sometimes misunderstand each other , but the love we have for each other can never be broken apart. Sometimes I do say things that get you upset but you never hate me for that because you know that (Atli and I) your children like things, the point is that you always love us. You always accept us for who we are. Even though sometimes Atli and I don't show it, we do believe that you love us. You motivate us in every way you can and you always have a way for us to spit out our problems. You are always there for us when we need you, yes this one is going to sound crazy but we are also here if you need us so please enjoy your day (don't forget to share your gift with us.

We love you Dad.

Happy Father's Day

Father

*When I scratched my knee,
Or if I bumped my head,
When I was afraid of the dark,
Or that thing under my bed,
When I cried in the night,
Or even in the day,
You were there for me
To make it all okay.*

*You tickled my feet
And laughed at all my jokes.
You taught me to believe
In having high hopes.
You are my father.
You did what you had to do,
But more than a father
You are my friend, too.
You made everything good
That was once bad.
I just want you to know
I love you, Dad.*

Jennifer S. Williams

Silent, Strong Dad

He never looks for praises.

He's never one to boast.

He just goes on quietly working

For those he loves the most.

His dreams are seldom spoken.

His wants are very few,

And most of the time his worries

Will go unspoken, too.

He's there...a firm foundation

Through all our storms of life,

A sturdy hand to hold onto

In times of stress and strife.

A true friend we can turn to

When times are good or bad.

One of our greatest blessings,

The man that we call Dad.
